

The Physicians of Avery Eye Clinic are proud to announce that, due to our continuing growth in The Woodlands area, we are moving to a new, larger location in May.

With easy access from Interstate-45 and from The Woodlands via Grogan's Mill Road, our new office will allow us to continue offering the same level of excellent service that we have provided for over 40 years.

The on-site optical, due to open in June, will give patients the ability to purchase eyewear directly from the prescribing physician while assuring quality, accuracy, and convenience.

Stop by and visit our beautiful new facility today!

Our new address is:

Avery Eye Clinic

129 Vision Park Blvd., Suite 110

Shenandoah, TX 77384

Call for an appointment today: 281-719-5214

Open Monday - Thursday 8:00AM – 5:00PM & Friday 8:00AM -12:00PM
